ADULT CENTERS OF TEXAS, INC

## From the desk of Brother Day

We are so thankful for what God is doing at Teen Challenge Adult Centers of Texas, Inc. We have the privilege of lifting up Jesus Christ to young women and men on a daily basis. We see our students accept Jesus Christ as Savior and Lord of their lives. We witness the transformation of a new creation in Christ Jesus. We are able to present Biblical teachings and Teen Challenge curriculum to disciple them in a proper manner. Our goal is to create an atmosphere that allows our students to accept Christ and learn to walk in the power of the Holy Spirit. Jesus Christ is changing lives at Teen Challenge. Glory and honor to His name.

In October, we completed our annual fall banquet. We had approximately 900 people attend and the Lord moved in a mighty way. November is a month of thanksgiving. The students go home to be with family for five days. We ask them to go home and serve their families and show them what God is doing in their lives. Many great testimonies come from our students on how the Lord is restoring relationships with family.

In December, we give our students \$100 gift cards to Kohl's. They are able to buy gifts for their families as they go home for six days on Christmas break. If anyone would like to donate to this project, please feel free to do so. It will cost us about \$6000 to complete this project. If you designate in the memo **Student Christmas Project Fund**, we will put it directly towards that project.

With Thanksgiving and Christmas, I pray that Jesus Christ will become the focal point of these holiday seasons. May each one of you be drawn close to the Father, the Son, and the Holy Spirit. May His presence be felt in your hearts. I pray blessings of peace, joy, and the abundance of His love in your family. Jesus is truly the reason for the seasons!

In Christ's service,

*David Day*

# MERRY CHRISTMAS

Happy Thanksgiving and Christmas to one and all,

Every year, God finds a way for us give the students a \$100 gift card to Kohl's. Kohl's works with us so the students get the most bang for their bucks. This year, we have selected the 17th and 18th of December for our shopping excursion. Because of this generous opportunity by both donors and Kohl's, students have had these experiences and thoughts:

- The thoughtfulness of the people to provide for us to be able to give to our families at a time when we couldn't because of no job and trying to get better.

- Truly a blessing to be able to get out and not only that be able to shop with the amount of money we did was amazing.

- It showed agape love being revealed in my life.

Without the love and covering form our God, none of this would be possible. We want to thank all our supporters and donors for making our prayers, and so many blessings, come to fruition.

## Giving back during this season of Thanks,

Our Teen Challenge catering team was able to partner with Hope for the Homeless at the beginning of November. We cooked a Thanksgiving style meal, and served 130 people. It was a great opportunity to minister to those who are less fortunate. Our ministrations were not just physical in nature, but spiritual as well. One of our brothers was appointed to the prayer table.

These types of opportunities are real treasures for the students. It is in these moments that they are living out Christ's directive of loving others. They naturally begin to tell others about what God through Christ has done for them, and they become the healing balm to those around them. What they feared in the classroom, becomes very organic in the world outside. Dwight L. Moody once said, "The world has yet to see what God will do with a man fully consecrated to Him." Many of these students could never have fathomed being forgiven by God, yet these opportunities give them a glimpse into the mind of Moody and this hope for the future of Christendom.
