To Our Faithful Supporters,

Teen Challenge Adult Centers of Texas is alive and well. In the past 3 weeks, the world has had two drastic changes with the COVID-19 virus and the economy reduction due to low crude oil pricing.

Teen Challenge has made adjustments to secure the safety of our students. We are on lockdown for a short period of time. We are not taking new students at this time and have shut down our workforce to the public. Keeping our students at the farm and making sure to sanitize all facilities and keeping our hands washed. We have been blessed with no one being sick during this time. We are spending more time in prayer, study of the Word of God, and presentation of Teen Challenge curriculum. Our number of students is down, but the Holy Spirit is strong and doing a work in our students' lives. It is not a time to be idle, but to concentrate on getting a close relationship with the Father, Son, and Holy Spirit.

With the virus, all of our fundraising has been postponed to later dates. With no workforce and a reduction in donations, we want to be good stewards of what God has provided, and have reduced our expenses as much as possible. We are prepared to pay our bills on time and to maintain our debt free operations. Please pray with faith knowing that God will continue to supply all of our needs by His riches in Glory.

I believe God is in complete control in this situation. "His promises are yeah and Amen (2 Cor. 1:20)," and all we need to do is be strong and courageous. If God is for us, who can be against us? I also believe God is calling His people into repentance and into being more dependent on our faith in Him. He is calling us to high standards and into trusting Him at all times. The appearance of evil must go and for us to know that these things shall pass away in due season. We can't just be hearers of the Word and lovers of the world, but we are to love Him with all of our hearts, all of our souls, all of our minds, and all of our strength. The world needs to repent and ask for forgiveness and seek Him first in our lives. Jesus took stripes on His back for healing. His healing is greater than this virus. We cast it out and proclaim His healing power. We call the oil prices to increase and for God to get the glory and honor for His goodness and faithfulness in everything. It's not the time

to draw back but to draw near to God and He will draw near to us. He has given us all authority in Jesus' name.

My prayer for you, the students, and staff of Teen Challenge is that we would allow the Lord God Almighty to do a work in our lives and for our enemies to be scattered. The people of the Lord need to humble themselves and pray and God will do a mighty work and heal our land.

May God bless each one of you with His love, mercy, and grace. May His love abound in your life and the peace of God surround you. Please pray for our students, staff, and the finances of Teen Challenge.

Thank you for your support.
